

September 11, 2020

Dear Parents,

We have had a great week. The Walk-A-Thon went well. The kids walked lap after lap. They did a great job and had a good time. During our down time we watched the movie *Inside Out*. It was a good day.

Next week, we will be giving our new testing series. It is nothing like the IOWA Assessments. It is not a standardized test since it's different for every student. It is a digital test that adapts to how a student is doing. It is not as long and takes half the time. We just take one a day and it takes about 45 minutes. Attached to this note you will find an article about it. If you loose this one, I've put it on the website. I have, also, put a short video about it on the website. Only grades 2-8 will be taking the test.

Taco Inn burritos and Pizza have started. Please remember we do not keep cash at the school. Exact change is appreciated. We would like to offer Subway 6 inch veggie subs with cheese on Mondays. The price will be \$5.00. They will have American cheese, lettuce, tomato, and mayo. We will not be taking individualized orders. (Too Complicated) If your child does not like something, they are welcome to pick it out of their sub. We can't offer this till we have parent-volunteers that can pick up our order. If you feel you are able to do this, please contact "old" Mrs. Simpson.

Important Dates:

MAPS Testing-----September 14-18

1st Quarter Ends-----October 16

Parent/Teacher Conferences-----October 26-30
