

AMI Day Plan for grades 5 and 6-Day 1-10

Bible:

1. Sing some of our weekly chapel songs with your family.
2. Practice your MV or play sparkle with your family members.
MV this week-Second half
“I am praying not only for these disciples but also for all who will ever believe in me because of their testimony. My prayer for all of them is that they will be one, just as you and I are one, (second half) Father----that just as you are in me and I am in you, so they will be in us, and the world will believe you sent me.” John 17:20 (NLT)
3. Watch a Bible movie or video.
4. Read or listen to the Bible-Bible.is or any other Bible app
5. Play Bible charades
6. Study with your parents your beliefs about God and the Bible.
7. Read a Bible story book.
8. Take a hike, or spend time in nature with your family.
9. Go bird watching or watch from your window and write down the types of birds you see. Look them up on your chrome book for more information.
10. Visit your grandparents/elderly shut-ins through Skype or Zoom. See if your family can drop off groceries or other supplies they need on their porch so they don't have to get out.

Language Arts:

1. Read a book
2. Practice your vocab and or spelling words from previous weeks as a review.
3. Play scrabble or any other word game with your family.
4. Play trivial pursuit
5. Write in a diary or journal.
6. Make your own book and be the author and illustrator

Math:

1. Review your multiplication tables
2. Practice multiplication using multiplication.com
3. With your parents: learn to cook.
4. Play monopoly with your family
5. Play any game involving math with your family

Science:

1. Watch a nature documentary of your choice with your parents.
2. Watch a Science show or documentary with your family.
3. Find an interesting Science experiment online and do it with your parents.
4. Make slime or playdoh.
5. Work on a solution to the world's plastic problem type a paper explaining how the solution would work.
6. Draw and cut out the Tectonic plates and see how they could've fit together in the past.
7. Read a book on Science, nature, space, etc.
8. Make recycle bins for your home for each of your recyclables and look up recycling centers online where the items can be taken once full.
9. Visit a national park
10. Learn the alphabet in sign language
11. Study and practice another language.
12. Take an educational field trip of your choice with your family.

Physical Education:

1. Play outside
2. Walk around the block.
3. Visit the park.
4. Fly a Kite
5. Jump rope
6. Use a treadmill
7. Exercise to an exercise video

Music:

1. Watch a documentary or movie on a famous composer or musician
2. Play the piano or a musical instrument
3. Sing your favorite songs, use a karaoke machine if you have one.
4. Play name that tune with your family using clips from online videos, spotify, Apple Music, etc.
5. Make a You-Tube video of you performing a song by voice or instrument.

Please Share what you did for 4 hours of school each day. We will have a sharing time soon.....stay tuned and I'll tell you how.
