What’s Happening

Lifetouch Spring Picture Day
Thursday, March 26
8:30a —12:30p
All students will be photographed. If you would like to choose a background or pose, please choose from the 6 options and turn in the form to the teacher on or before picture day.

1. Picture day March 26.  2. Pictures sent home with your child a few weeks later.  3. Review & purchase (or return).

Floor Hockey Intramurals begins right after Spring Break—forms & payments due Tuesday, March 23.

8th Grade Diploma forms are due Friday, March 13. These were mailed home 2 weeks ago.

Kindergarten Parent Night
Tuesday, March 31, 6:30-7:30 p.m.

Kindergarten Visitor’s Day
Wednesday, April 1, 8:15—11:30 a.m.

Information is coming soon regarding how we (along with AU and AA) are going deal with the Coronavirus, etc. Look for a text or email notification.

MARCH 16 - 20
HOW TO BE PREPARED FOR CORONAVIRUS (COVID-19)
Keeping yourself and your family safe around respiratory illnesses

WASH YOUR HANDS
It’s important. Most of us don’t do it enough or aren’t good at it. Scrub for 20 seconds. If you can’t wash, use a hand sanitizer with at least 60% alcohol.

STAY HOME IF YOU’RE SICK
If you need medical care and think you may have been exposed to coronavirus, call your medical provider for instructions before going in.

ALWAYS BE READY
Risk of exposure remains low. But, start thinking about general, daily supplies – water and food staples or medications, for example. Visit www.ready.gov for suggestions.

KEEP GERMS OUT OF THE AIR
Cough or sneeze into your elbow, not your hands. Or, use a tissue and throw it away.

Masks
Masks are not a good prevention tool for healthy people. If you are sick, masks can help prevent the spread of germs. Health care workers or others caring for sick people should wear appropriately fitted masks (such as N95 respirators).

KEEP RISK IN PERSPECTIVE
Flu is actively circulating in Berrien County. Novel coronavirus is not. Practice good prevention (handwashing, staying home if sick, etc.). Get a flu shot if you haven’t.

SOCIAL DISTANCING
Someone coughing? Move away – 6 feet or more.

DISINFECT SURFACES
Clean frequently-touched surfaces at home. Wash your hands after visiting public spaces.

RELIABLE INFORMATION
Make sure you’re getting accurate information. Bookmark www.bchdmi.org and follow the Berrien County Health Department on social media.
