TO OUR GUESTS, WE ARE DELIGHTED that you are worshipping with us today. We extend to you a hearty invitation to make this your church home. Please, complete the Guest Registration card in the pew rack and place it in the offering plate.

FLOWERS TODAY are shared with us from the Fowler family to honor the brave women who have confronted breast cancer and valiantly persevered.

ANNOUNCEMENTS **TODAY**

- 1. OFFERING OF THE DAY: Calexico Mission School Worthy Student Fund:** For eighty years, SECC members have supported Calexico Mission School (CMS), which seeks to share Christ’s love throughout the border communities in the Imperial Valley. Many students have come through those halls and learned the academics, but what they truly remember is their teachers praying for them and with them. Our Lord has greatly blessed this ministry allowing CMS to lead families to Him. Ninety percent of the students are non-SDA. This year, the number of students requesting Worthy Student Aid has been higher than usual, and your faithful support is needed. Recently a parent brought her children to CMS, and when asked, “Why Calexico Mission School?” The response was, “Because out of all the good schools I have had my children in, only you talk about God.” Many of CMS parents are finding it increasingly difficult to fund their children’s education. The *Worthy Student Fund* enables CMS to fill the gap and help more students to learn about a God who loves and cares for them. Put money in tithe envelope and mark Calexico.

30. NORTHERN CALIFORNIA ADVENTISTS IN ACTION

What was once a vibrant school is now in ruins. The fires raging through Santa Rosa destroyed Redwood Adventist Academy on Monday, October 9, 2017.

Principal Angie Weems, upon being alerted the fire was headed toward Santa Rosa, had decided at 4:00 that morning to cancel school so, thankfully, no kids were at the campus when it burned down.

The school, founded in 1931, educates kindergarten through high school students, many of whom now find themselves without a school and some, without homes. Weems is working hard with her staff to organize at a new temporary location so that classes can continue for the 128 students enrolled this year. Insurance will help with the buildings, but there will be other costs as this school and its families try to recover.

Your love, prayers, and support are so appreciated.
