- Money course - currently running online - lovely group including two referring organisations, so please pray they benefit personally, plus signpost others to us. In-person course starts end of November, currently 2 signed up.
- Continue to pray for timely new referrals - good relationships with referring agencies, clients who are motivated to tackle their debt
- Pray for CAP Head Office staff - seem to be short staffed at the moment
- Client event on 2/12 - pray that both volunteers and clients will be keen to attend, and for the logistics of planning etc
