

Thank You

We gather here today to celebrate Scott's life. We as a family want to tell you how thankful we are for each and every one of you. We are so humbled by the outpouring of support we have received from family and friends during this most difficult time. Scott is gone from our sight, but never our memories. Let us rejoice with Scott in his new life with the Lord.

Scott Murray Benefield

We gather here today to celebrate Scott's life. Scott Benefield, a three-year Vietnam Veteran, was 74 years old when he passed away on April 4, 2019 at the Minneapolis VA Hospital. A graduate of Big Lake High School and St Cloud Technical College, Scott had a myriad of careers that ranged from optics, railroad technician, plumber, injection molder, and computer operator. Scott loved music, could play the guitar and he had a great voice that was perfect for ballads. He absolutely adored his daughter, stepchildren, and grandchildren and he loved going to their extra curricular activities. His favorite leisure activities were cribbage and playing with our grandpuppy, Lucy. He will be missed.
