## School News

**We have been invited to join Fletcher Academy and Captain Gilmer Christian School in a special day of prayer and fasting today, August 15.**

Our schools are facing serious challenges with the pandemic, fragile economy, and families working more to make ends meet. In recognizing that only God can charter them through these waters they ask we pray with them, especially for leadership, staff, students, and their families.

For those near the Fletcher Academy campus you may join one of three outside small prayer groups (see calendar page in this bulletin for those details).

However, whether you are at home, or out hiking, or at one of the meeting places suggested, please do remember to pray for our schools.
