## They Say There Is A Reason

They say there is a reason  
They say that time will heal  
But neither time nor reason  
Will change the way I feel  
For no-one knows the heartache  
that lies behind our smiles  
No-one knows how many times  
We have broken down and cried  
We want to tell you something

So there won't be any doubt  
You are so wonderful to think of,  
But so hard to be without.
