NAMES OF GOD KING OF KINGS

I saw heaven standing open and there before me was a white horse, whose rider is called Faithful and True. With justice he judges and makes war. His eyes are like blazing fire and on His head are many crowns. . . On his robe and on his thigh he has this name written: ***KING OF KINGS AND LORD OF LORDS.*** Revelation 19:11-16

How to Hear the Voice of God

Silent Messages

When it comes to interpreting body language and tone, we desperately need the gift of discernment.

It takes discernment to spot closed doors and open doors
It takes discernment to recognize God-given dreams.
It takes discernment to know which desires are from God
It takes discernment to obey the promptings of God.
It takes discernment to put pain into perspective.
It takes discernment to read people

Although it's not easy to discern coincidence from providence, no apologies are necessary for believing that God is in the business of strategically positioning us in the right place at the right time with the right people. I stand by, stand on, His providential promises. God is preparing good works in advance. God is ordering our footsteps. **God is working all things together for good for those who love Him.**
