At APCS we are so blessed to have two sports programs running this fall. This is a reminder that if your student is interested in this, they will need to choose one of the programs. Students cannot go to soccer on Tuesdays and Acro on Thursdays. If your student is already in Soccer they may contact Chris Busche after October 18 and request to join ACRO late. That will be up to Chris. Both sport groups are staffed for the full amount of students that have signed up.

Please help us keep these programs running smoothly! And a big thank you to our coaches!!

I am happy to announce that we will be continuing our MPA Gym Kids program this year. We are grateful to be able to connect with our grade school in such a positive way through this program. In this program, we will provide ample knowledge and training time for your child to progress in their gymnastics skills (tumbling, stunting, etc). At the end of the year, your child will have the opportunity to participate in the MPA homeshow demonstrating the skills they have learned.</p> <p><b>Day and Time:</b> This year the Gym Kids sessions will be on <u>Thursdays from 3:20 – 4:20</u>. (Please take a weekly schedule). <u>You must pick up your student at 4:20 at MPA gym. APCS aftercare is not available for Gym students. Chris has a class at 4:40 and cannot watch APCS students.</u></p> <p><b>Session Fee:</b> <u>The fee for each session is \$10</u>. This is payable via cash or check to either the MPA Front office or to one of the coaches (preferred). <u>Please make sure to pay this amount each week.</u></p> <p><b>Supervision:</b> A MPA worker will pick up APCS ACRO students from APCS and take them to MPA at 3:15 on Thursdays. At each session, there will be an MPA faculty and/or a verified volunteer adult supervisor with gymnastics training. There will be a minimum of 4 “coaches” at each session to help supervise, train, and spot your child.</p>
