Day 100

Calendar

We're going to make it to Day 100! Wednesday is the big day. To celebrate the milestone, we're bringing secret collections of 100 things for a guessing game. Your child should find 100 of something you have in your house, put them all in a container, and bring the collection to school on Wednesday along with the 100 Day clue paper. The clues **MUST** be written in order to show the collection.

We're studying more about the life of Joseph in Bible. We're continuing to learn Psalm 91 also. In science we're studying weather and the water cycle. On Thursday we're making Valentine cards for the residents at Brookdale, and on Friday we're having a special presentation for Black History month. Busy week!

Class Service Project

We're bringing in laundry pods (no powder or liquid laundry soap) to help the homeless people that need to do their laundry at the Christian Aid Center. Do you have some you can share?

Spelling

This week's list is the first of five review lists your child will have this year. We're reviewing the most commonly used English words. Your child should practice **all the words**. That's right! Do the complete list, all 20 words. They aren't hard, but the kids need to master them!
