Pre-K & Kindergarten Mrs. Beth Kobliska

Theme

These next 2 weeks we will be wrapping up our school year by taking some time to review what we have learned, taking notice of how we have grown and looking forward to what next year holds.

Fine Arts Festival

The kids are excited to show you their art projects and share some fun songs they've been learning. You won't want to miss the OAS Fine Arts Festival on Tuesday, May 14, at 6:30 PM. It is held in the administration building of Ozark Adventist Academy. Please note that school is dismissed at noon on that day.

Reading Books

Keep reading the little readers at home! The kids are excited to see their progress and practicing at home really improves their fluency.

Graduation Program

Pre-K and Kindergarten will all be participating in our graduation program on May 21 at 7 PM. Be sure to save the date!

Safari

We will be going on our Safari field trip on Wednesday, May 15. Remember, Pre-K parents, if you cannot bring your child, you will need to arrange for another parent to be in charge of your student or make other plans for them that day since no one will be at school to supervise them. Please send a sack lunch for your child as we will conclude our visit by eating our lunch in the picnic area at the safari. **THERE WILL BE NO HOT LUNCH SERVED THAT DAY!**

Snack Days

Monday May 13: Kinsley

Tuesday May 14: Roselynn
Wednesday May 16: Shawn
Thursday May 17: Skylar

1st & 2nd Grade Mrs. Kay Sutherland

Please encourage your child to read and complete his/her reading log. It is 75 points on their reading grade each week.

I loved all the special gifts this week. Thank you to Home and School plus each family who did so many special things for me this week. You are all amazing!! I love teaching your children.

Drivers needed for the Safari!

We only have one so far..... We are planning to go to the Safari on the Wednesday, May 15. We'd love to have you come with us. Please text me if you can drive or go with us.

Fine Arts Program is the evening of May 14! We are so excited for you to come and see what we've been doing. This is required and is a major part of your child(ren)'s music grade.

Spelling Test next Friday for first grade will be over these size and quantity words from lesson 28: little, tall, short, long, few, many, more, *thin, *thick, *digit

Spelling Test for second grade will be over these /th/ words from lesson 28: another, both, other, thank, these, thick, thin, think, those, thought, *brother, *father, *together.

3rd & 4th Grade Mrs. Eva Hill

☺ **Thank you for making this week so special!** The flowers, gifts, and treats were so thoughtful and the

cards and letters really touched my heart. You are an awesome school family and I am so blessed to work with your children. I love each one!

☺ **Classroom science fair day** is this Monday, May 13. Bring those presentation boards and egg drop containers. We're so excited to see what each student has come up with.

☺ **The Fine Arts show** is this Tuesday evening. Come to the OAA auditorium to see some of the art projects your children have worked on this year and enjoy the music they've been practicing to share with you.

☺ **The 3rd and 4th graders will be headed to the ballpark** on Wednesday along with grades 5-8. Because we begin learning the rules and skills of softball during P.E., it's an opportunity for us to see a professional game in action. We do need drivers! If you can drive please let me know. We really appreciate the time you commit to help with these special activities.

☺ **No treasure verse quiz** next week.

☺ **Spelling next week is a review lesson.** It is the final spelling lesson of the year.

5th & 6th Grade Mrs. Janet Lopez

This week in 5th and 6th grade In Bible we started a new unit-our last. The unit is called, "Set Apart." Its about recognizing Jesus as our gracious example and following him. We will learn about characters such as John the Baptist who followed that perfect example.

In Math the 5th graders learned about Algebraic patterning and graphing. 6th grade learned about problem solving

using Algebraic expressions.

In Social Studies we learned and China, its landscape, economy, and people.

In Science we are learning about force, mass, and acceleration. We are talking about how different forces effect motion.

In Language Arts we are reading a book called, "Spy for the Night Riders." It's about Martin Luther, the reformer and all of the trouble he faced when opposing the religious leaders at that time.

Have a great weekend!

7th & 8th Grade Mrs. Lisa Tonack
