

FANCY MARCH CHALLENGE

Because this is an Oshkosh year, with the International Camporee at Oshkosh Wi. in August, we encourage all Pathfinder Clubs to participate in our FANCY MARCH CHALLENGE. Your group will need to put together an attractive Fancy March routine, practice and perfect your group's skills, and then exhibit the routine at our preliminary fancy march event at the Conference office two weeks before the Pathfinder Fair. The routines will be judged under the criteria shown below. Only the best five routines will be performed at the Pathfinder Fair since our time will be limited due to distance and travel time.

RULES:

- a) All participants are required to wear class "A" uniform (white gloves and colored berets optional only for this event).
- b) We will qualify the synchronization to the group of participants.
- c) Fancy March duration: 3 to 5 minutes. Points are lost if group goes overtime.
- d) The top five exhibitors will get a trophy as recognition and will perform their routine at the Fair.
- e) April 14, 2019 is the scheduled preliminary exhibition at the Minnesota Conference office.

POINT DISTRIBUTION:

All in Uniform:	3 Points
Routine includes more than 10 commands:	3 Points
Group Synchronization Level:	10 Points (from 0 to 10 points)
Attractiveness of Routine:	5 Points (per discretion of the Judges)
