

Retreat Programme 2023/24

Whalley Abbey began its life 800 years ago as a Cistercian Abbey on the banks of the River Calder, in the heart of the beautiful Ribbles Valley. Today, set amongst its ruins, Whalley Abbey continues to be a place of welcome, hospitality and prayer, as well as the Diocese of Blackburn's Centre for Christian Discipleship and Prayer.

Join us on one of our programmed activities and daily cycle of prayer. Alternatively, book us to host your next meeting or group retreat. With 17 en suite rooms, a self catering cottage and multiple conference rooms available there are plenty of options to choose from.

If you know someone who would benefit from a retreat but financial restraints prevent them from doing so, please contact us and enquire about our bursary fund.
