Parkview Sabbath

Parkview Sabbath was fun. The 3rd and 4th grades did a stick drama and Mrs. Hayford's and Miss Park's classes played bells. There was a choir that the school participated in. We hope you enjoyed the worship service we led. If you haven't given your heart to Jesus and you decide to because of the program,

please tell the principal, Mrs. Kaiser, and we will be HAPPY!

Stick Drama

At first when you try something new it's kind of hard, but if you try diligently, you can achieve the thing that's hard for you. Doing a stick drama feels like your foot is stuck in concrete, but the real thing is to try your best and you will succeed.

Helping the SPCA

Students in Mrs. Kaiser's class have been asked to make toys and enrichment activities for animals at the CNY SPCA. All will be made from recycled materials and we are waiting for a list, but we know that we will need old fleece (or other) blankets. If you have any that are past their lifespan, please send them to school with your children. Thanks for helping us help others.

CNY SPCA

On Thursday, November 7, Mrs. Kaiser's class went to CNY SPCA. We saw cats and dogs. We also saw a mother dog and puppies. "It was fun and interesting," said Clarajane. "I liked the little Chihuahua named Rosie," said Madison. The SPCA needs toys for their animals because they are bored in cages. Our

class will be making these toys. If you are willing, please collect these items: paper towel tubes, boxes (small Amazon, crackers, cereal) packing tape, old socks, tennis balls, dog/cat treats, catnip, and old fleece blankets. It was a fun experience visiting and we are glad to be able to help.

Uniforms

There are concerns from the school board regarding the guidelines for uniforms. **We want to remind students that pants should be loose- fitting and not skin tight.** Please contact the school office or teacher if you would like the school to purchase uniform pants and we'll order them for your child.

Weather Delays/Closings

Watch for Parkview Junior Academy Specifically, (though we typically follow the actions of the Syracuse City School District, but not always) on channels 3, 5, 9, and 10 to keep up to date about school closings and delays. Usually we are able to get the closings on all of these channels, but some take longer than others, so if you don't see it in one place, check out another. Most channels do a running screen on the bottom of the TV even during commercials. If you have the channel 9 news app on your phone you can check for school closings and delays. Mrs. Kaiser tries to have that information to the television stations by 6 am.

Eighth Grade Fund-raisers

Every day popcorn and juice are available to purchase, and will be served at lunchtime or before they leave on Friday.

Popcorn- **\$1**

Juice- **\$.50** /large
\$.25 /small

Pizza- \$2

Taco Bell and pizza will be sold on alternate weeks by the 8th grade class. **Taco Bell on Tuesdays** and **Pizza on Thursdays**. Taco Bell items are from the dollar menu and other items not on the dollar menu. All items start at \$2 unless you purchase a more expensive item and money is due at the time of your order.

Home & School

We had a very successful fruit fundraiser this year which brought in over \$2000 to put towards H&S projects. We are currently looking to replace or repair the baseboard heating covers in the gymnasium. We hope all who ordered are enjoying their fruit, we appreciate any feedback for next year. Tuition credit statements will go home today with those families who participated in the fundraiser.

Redeemable Bottles

Remember to drop your CLEAN, REDEEMABLE bottles in the tall, white cardboard box located in the back hall by the bathrooms. Money collected from the bottles goes towards our No Child Left Out fund which supplements tuition expenses.
