

In Loving Memory
CELEBRATING A LIFE

Glory

Of all that is within me Lord
I bless Your Holy name
I live my life to worship You, oh Lord

For You brought me out of darkness
In to Your Glorious Light
Forever I will sing of Your sweet love
Forever I will sing of Your sweet love

I long to see You glorified
To see You lifted high
I yearn to see all nations bow their knee
For You alone Yeshua
Can cause the coldest heart
To find Your loving everlasting peace
To find Your loving everlasting peace

Glory, Glory, Glory is the Lord
Glory, Glory, Glory is the Lord

Soon Your trumpet will sound
All the nations will know that the time has finally come
For Your bride to take her place
And to hear the angels sing, angels sing.
We will hear the angels sing.

They'll sing Glory

February 8, 1938 – December 21, 2022

Louis "Louie" James Coyle, 84, of Lehigh, Kansas, passed away on Wednesday, December 21, 2022, near York, Nebraska.

Louis was born in St. Joseph, Missouri, on February 8, 1938, to James and Lola Coyle. Louis was the third of four children.

Louis grew up in St. Joseph, Missouri, and joined the United States Air Force in 1957 and served for 4 years, until 1961.

Louis met Ruth (Amdahl) Coyle in 1981, they expanded and joined their families. They enjoyed raising their children in Loveland, Colorado; and later, raising their grandchildren, Caleb and Shian Halsted, in Lindsborg and Lehigh, Kansas.

Louis and Ruth's children are Cynthia Coyle of Canton, Kansas, Jay (Tammy) Halsted of Greeley, Colorado, Mark (Sarah) Coyle of Fort Collins, Colorado, Shawn Halsted of Hildreth, Nebraska, and Adam Halsted of Grand Junction, Colorado. with his scroll saw in his free time. He was a life-long student and believed you could (and should) learn something new every day. He loved studying history and was a Civil War History buff. He was a true Denver Broncos fan (just short of the tattoo), through good and bad, and tried not to hold it against you if you weren't.

He often told stories about his military service, especially about kicking the screaming chickens out of the plane. He always had a wonderful sense of humor. You weren't a stranger for very long after meeting Louis, you became friends. He was willing to help anyone out in any way he could. Louis was a wonderful man and even better father.

Louis was an excellent career aviation machinist and worked in the industry for over 40 years, which included Boeing, Beech Aircraft, Continental and Lockheed Martin. He was involved with many interesting projects, including Apollo, Space Shuttle and Titan Missile. Within his careers, he also was a caregiver for multiple disabled adults, was the Fire Chief for his local volunteer fire department, a crosswalk guard at the neighborhood bus stop, and most recently a mold production worker at Central Plastics, for the past 7 years. He continued to work up to his last day and wouldn't have had it any other way.

Louis is preceded in death by his brothers, Robert and Richard and sister, Anne, half-siblings, Billy, Milton and Mildred, wife, Ruth, daughter-in-law, Michelle Halsted and grandson, Peyton Halsted.
