FOR KENNETH NEIL BENTHALL
*In spirit,
My soul's gone,
Flying feathers, soaring in love...
In mind, We can't be thought, about the thinking of that thinking of...
In thought,
In body, we become soldiers,
Soldiers of life,
Soldiers of love,
Creating the world.
Our truth are of one, that come from the one, we together always wherever, we are,
connected & divided the one, The beginning of time and truth, As well as it comes and goes, One life, One death,
Always, Forever and ever, without you, I become nothing, nothing, from nothing, being nothing,
But with u, I become everything of light, All time, All love, One...
The only I wasn't supposed to be Neil On, The name, With the meaning,
But driving down the road this sound to me, In, On the side of the road in death, Thoughts of u to strong I had to stop and write them down.*

POEM FOR KENNETH BENTHALL

**In spirit,
We could be doves.
Flying, fluttering, cuddling in love...
In thought
In my mind. We could be thinking..thinking of this..thinking of that.thinking of u..
In body, we become builders,
Builders of life
Builders of love
Creating the soul.
Our souls are of one, that comes from the one, us together,always.wherever, as one..
One is a power number, cannot be divided.the first. The beginning,as love.as truth. As
real as it comes..one love. One life. One death.
Always. Forever as one...without you..I become nothing.nothing from nothing leaves
nothing.
But with you, I become everything.all light. All love. All one..One...

I'm sorry I haven't responded to your last tx. The wow. Was my beginning..
But driving down the road this came to me. I'm On the side of the road.in traffic.
Thoughts of u so strong I had to stop and write them down.**
