

Jerry Edwin Thorstad

was born March 29th, 1946 to Edwin and Arleen (Nodland) Thorstad. Jerry graduated from Dickinson High School and was “one heck of an athlete.” He loved all things outdoors and looked forward to his yearly hunting trips with his buddies. When You Remember

**I hope that when you remember Jerry,
You don't think of him this way.
Instead, remember the good times you had,
Or the funny things he'd say.
Remember him in springtime.
How he loved the fragrant breeze.
Remember him in summer,
As the sunshine kissed his cheeks.
Remember him in autumn,
How he loved the turning leaves.
Remember him in winter,
Watching snowflakes drift in the breeze.
But although Jerry surely loved these
things, Remember, he loved you all more,
And don't lose heart
because we'll see him again,
When we all reach that distant shore.**
