## **Home & School**

We are so blessed to be a part of a culturally diverse school and church community. Every year we celebrate this at our **International Food Festival** which will take place on **Saturday, February 8** from **6:30-8:30pm**. It's a gathering of God's children from across the world. Come sample food from over 20 countries and cultures. **Admission is \$10/adult, \$5/ages 5-17 and FREE for ages 4 and under**. If you are interested in representing a food booth at the festival, please contact Kelsey at 315.935.9631.

## **After School Care**

We have been glad to be able to provide after school care to parents who need this service. It is not easy to find someone willing to do this job. One person who did it previously found it not be worthwhile as it was difficult to get paid at times, and it often felt like they were being taken advantage of. If we lose our current provider, it is unlikely that we will be able to find another soon. You can ensure that

this service continues by respecting the following guidelines:

- The "meter" stops running when you sign your child out, not when you enter the building.

- Pay your bill promptly, each week on Friday.

- Never leave the building with your child without letting Mrs. LaFlair know that you are doing so. Again, until you sign out, the meter keeps running.

Thank you for ensuring that this privilege continues.

### **Eighth Grade Fund-raisers**

Every day popcorn and juice are available to purchase, and will be served at lunchtime or before they leave on Friday.

Taco Bell items are from the dollar menu and other items not on the dollar menu. ### **Weather Delays/Closings**

Watch for Parkview Junior Academy Specifically, (though we typically follow the actions of the Syracuse City School District, but not always) on channels 3, 5, 9, and 10 to keep up to date about school closings and delays. Usually we are able to get the closings on all of these channels, but some take longer than others, so if you don't see it in one place, check out another. Most channels do a running screen on the bottom of the TV

even during commercials. If you have the channel 9 news app on your phone you can check for school closings and delays. Mrs. Kaiser tries to have that information to the television stations by 6 am.

### **Redeemable Bottles**

Remember to drop your CLEAN, REDEEMABLE bottles in the tall, white cardboard box located in the back hall by the bathrooms. Money collected from the bottles goes towards our No Child Left Out fund which supplements tuition expenses.

### **BoxTops for Education™**

Parkview is a BoxTops school. Please look for these labels on the products you buy. BoxTops are now scan able, so follow the instructions. You will need to scan from your grocery receipt, be sure not to toss it until you scan. You can also download the BoxTops app for an opportunity to receive special coupons and earn extra BoxTops. Every clip counts! Turn in labels to **Mrs. King** in the school office.
