To Those I Love And Those Who Love Me

*When I am gone, release me, let me go.
I have so many things to see and do.
You mustn't tie yourself to me with tears,
Be happy, we had so many years.*

*I gave you my love and you can only guess
How much you gave to me in happiness.
I thank you for the love you each have shown
But now it's time I traveled alone.*

*So grieve a while for me if grieve you must
Then let your grief be comforted by trust.
It's only for a while that we must part
So bless those memories in your heart.*

*I won't be far away for life goes on
So if you need me, call and I will come.
Though you can't see or touch me, I'll be near*

*And if you listen with your heart you will hear,
All my love around you soft and clear.*

*And then, when you must come this way alone,
I'll greet you with a smile and "Welcome You Home".*
