 Dedication of Grave Jerry Olson

Live well, laugh often, and love with all your heart.

Life isn't about waiting for the storm to pass.....
It's about dancing in the rain.

Work like you don't need the money.
Love like nobody has ever hurt you.
Dance like nobody is watching.
Sing like nobody is listening.
Live as if this was paradise on earth.

Be kind.

If a man speaks in the forest and there is no women to hear....
Is he still wrong?

Just when I was getting used to yesterday...
Along comes today!

Having a place to go is a home,
Having someone to love is a family.

A road to a friend's house is never long.

Working for God on earth doesn't pay much,
but his retirement plan is out of this world.

We got too soon old and too late smart.

Don't cry because it's over, smile because it happened.
