SQUASH AUSTRALIA POLICY

Title:	Illicit drugs in sport
Document Number:	16
Last Review Date:	August 2018
Next Review Date:	August 2021
Responsible Person:	CEO
Authority	This Policy is made under clauses 11 and 19 of the SA Constitution. It is binding on all Members of SA and is to be interpreted in accordance with the SA Constitution.

1. POSITION STATEMENT

- a. Squash Australia (SA) has adopted and implemented an anti-doping policy and rules which conform to the World Anti-Doping Code (Code). The Code Prohibited List includes illicit drugs which are prohibited in-competition. This Policy differs from the SA Anti-Doping Policy in that it addresses the out-of-competition use of illicit drugs, concentrating primarily on education, awareness and prevention initiatives.
- b. The use of illicit drugs is harmful to athletes and SA seeks to educate athletes to prevent the use of illicit drugs in sport. Further, the use of illicit drugs by athletes can bring Squash into disrepute and sets a poor example for other members of the community who view athletes as role models.
- c. SA wishes to prevent the use of Illicit Drugs in Squash through increased education for athletes and members in relation to the potential harms of the use of Illicit Drugs.
- d. This Policy is designed to help prevent the uptake of illicit drug use and reduce the drug-related harm to individuals, families and stakeholders of SA and the broader community.
- e. SA will adopt a management approach which focuses on education and counselling in addressing the use of illicit drugs in the out-of-competition context.
- f. Some illicit drugs may be legitimately used under the supervision of a physician for a clinically justified purpose. The possession and use of illicit drugs are subject to Commonwealth, State and Territory laws.
- g. If a Member contravenes this Policy (or any other SA rule or policy) or any law through the use or possession of illicit drugs that Member may be referred to any relevant authority and may be subject to disciplinary proceedings under the SA rules and policy framework.
