

God Bless America

Irving Berlin

While the storm clouds gather far across the sea

Let us swear allegiance to a land that's free

Let us all be grateful for a land so fair

As we raise our voices in a solemn prayer.

God bless America, land that I love

Stand beside her and guide her

Through the night with the light from above

From the mountains to the prairies

To the oceans white with foam

God bless America, my home sweet home
