Enrollment Options

Dear Parent:

Thank you for choosing our school for your child, especially during this time of great anxiety and uncertainty in all things related to school. Our dedicated and qualified teachers will do everything we can to provide a quality Christian education to your child. Together as a team, meaning the teachers and parents, we will face the challenges that are associated with Covid-19 and overcome them so that your child will have every opportunity to succeed.

As you know, we are offering two options to our parents. The first option is traditional Face-to-Face instruction in a classroom that is following social distancing guidelines as much as possible. The second option is an online format where students will log on via the Internet and be in the class while instruction is happening. If Face-to-Face instruction is not possible, then all students to switch to a virtual setting.

The first step of the registration process is to indicate which option you are choosing as a parent. Please indicate below. We will work with parents if changes need to be made, or if emergencies happen.

_____ I am enrolling my child(ren) in the virtual online program. I understand that there needs to be a reliable Internet connection and that my child will be expected to attend class along with the rest of the class. The teacher will work with online students to make any adjustments, but the goal is for online students to complete the same requirements as their school based classmates.

_____ I am enrolling my child(ren) in the Face-to-Face option.

I understand that although Adventist Christian Academy has taken state recommended steps to operate safely, the nature of schools, the facilities and the children involved, it is not possible to entirely eliminate all risk of COVID-19 or other contagious illnesses. I understand the assumption of risk that I am making by enrolling my child and will not hold the school liable. _____ Initial

By signing below, I also signify that I have received a copy of the school's reopening plan as it impacts both online and Face-to-Face instruction and will abide by those guidelines.
