To Those I Love

Don't weep for me because I still live. I will continue to live as long as you remember the Beauty of God around you. For He has taken me to enjoy it with Him. So now these gifts I give to you. Remember the beauty of the earth. Watch the splendor of a sunrise, the majesty of a sunset. The gentleness of a spring shower. The freshness after a storm. I give you the freedom of the birds as they float on air, Their trusting in God for what they have. If you remember the beauty God has put on earth and in you, then you will find the beauty in living for today and the peace of God in my death. So don't weep, but rejoice for me, for I am now in this beauty of the earth. Remember this at all times and life will be more beautiful than ever.

Even in the Hard Times!
