

Changing the World One Smile At a Time

The Humanitarian Foundation Grottoes of North America

provides financial assistance for special-needs children to obtain dental care. Their services cover both anesthesia and dental surgery fees.

To qualify, the child must be under 18 and have one of the following conditions: cerebral palsy, muscular dystrophy and related neuromuscular diseases, mental retardation or autism.

Applications must be submitted to the local Grotto representative by the parent or legal guardian, the dentist, and the anesthesiologist for pre-authorization. Once approved, maximum fees will be issued upon the completion of the treatment. **This program does not cover Medicaid patients.**
