Adventist World Radio

Commander Liam controls his country's military, and in an effort to protect his family, he recently hired a modern-day witch to keep him safe. After he started listening to AWR's Unlocking Bible Prophecies series, the witch told him, "that woman your listening to has a magic more powerful than mine- I want some of that power! It gives me a strange sense of peace I haven't felt before. How can I receive these messages too?"

God is using Adventist World Radio's many broadcast and platforms to bypass harsh governments and hostile cultures to beam the love of Jesus directly into homes and hearts. Today we invite you to partner with AWR in this vital ministry! Just mark you envelope "AWR " or visit AWR.org/give
