On behalf of the families we serve, we thank
you for the love and support you have shown them by
your presence at the visitation and funeral ceremonies.

At the time of grief, it is important for families to
be reassured that people care about them.

There is great value in your support.

After Glow

I'd like the memory of me

to be a happy one.

I'd like to leave an after glow

of smiles when life is done.

I'd like to leave an echo

whispering softly down the ways,

Of happy times and laughing times

and bright and

sunny days.

I'd like the tears of those who

grieve, to dry before the sun

Of happy memories that I leave

When life is done.
