Dear Parents,

Part of our COVID-19 procedures is to make sure you have completed the health screening questionnaire before you drop off your child to school every day. Your compliance to this procedure is vital in maintaining the safety of our students, teachers, and staff. We will not ask you to fill out the form and submit it to us each day, but as part of our temperature checking procedure, we will be asking you to verbally acknowledge that you have completed your child/ren's health screening procedure before school drop off.

Please acknowledge compliance by signing this form and returning it to the office before school re-opens face to face. Thank you for your understanding and cooperation.

Sincerely,

Lytton N. Powell II
Principal / Head Teacher
