Her Life Reflections

It is with deep sadness that we announce the passing of Marie Therese on October 11th, 2024. She lived a life filled with love, kindness, and a passion for gardening, cooking, knitting. Whether it was taking care of grandchildren, tending her garden, knitting, baking homemade treats, cooking, or just taking care of everyone, she did it with grace, creativity, and joy. Her devotion to just making life easier for everyone brought light not only to her life but also to those around her.

Her loved ones will always remember the hours spent telling stories, singing hymns, walking through her gardening or cooking for the whole family. It was through these simple yet meaningful moments that she taught us to appreciate life's little joys.

She is survived by her Husband, Lebien FeQuiere; Her Children, Lenal FeQuiere, Murielle Pyton, Marc FeQuiere, Marie Nocely Foreste, Joel FeQuiere; Her Grandchildren: Gerry Belizaire, Marshalee FeQuiere, Nayeli FeQuiere, Therlen FeQuiere, Geordanael FeQuiere, Jonathan FeQuiere, Mia Foreste, Gully Belizaire, Nathan Raymond, Vickie Lucas, Gaerly Belizaire; Her Daughters and Sons in-law: Roselore FeQuiere, Nadine FeQuiere, Marie Jeanite FeQuiere, Georges Pyton, Jean-Elie Foreste; Her Great Grandchild: Lyneshara FeQuiere; Many Cousins, Nieces and Nephews who will forever cherish the memories of her long life.

She was known for her kindness, generosity, warmth, and her memory will forever remain a blessing to those who knew her.
