Principal's Message

A word from Mrs. Bryant

Monday, November 16 is our first session of Student Led Conferences. In years past, teachers open their classrooms in more of a come-and-go setting for families to come in and view student work, see their student's progress and ask questions. We call it "student led" because we want the STUDENT to be accountable for their learning and to do the majority of the talking!

This year, our COVID restrictions have created some barriers to our typical process. We're still having Student Led Conferences, but instead, each family has been assigned a private 15 minute segment with their child's teacher. Teachers will sanitize the shared table between uses. Unless your teacher asks otherwise, the student should attend along with the parents.

We purposely scheduled siblings with back-to-back appointments. If you are unable to make your appointment, please contact your child's classroom teacher directly to reschedule.

Here's what to expect:

1. Please enter through the classroom teacher's **backdoor**. We can't have families congregating in the hallways (although I know you miss each other!). A map of outside classroom doors to be published soon.
2. Please be right on time. Every family has just 15 minutes with their child's teacher and we must be respectful of each student's allotted timeframe.
3. While you should be on time, you won't want to come too early as you won't be able to enter the school until your scheduled time.
4. A bell will ring every 15 minutes to remind teachers to finish their conversations. Additionally, it will be cold outside and we don't want anyone to stay outside longer than they must! Alphabetical schedule attached in your email.

Red Ribbon Week

This coming week - October 26-30

Every year we join schools across the nation in Red Ribbon Week - an opportunity to learn about making healthy choices. The theme this year is "Be Happy. Be Brave. Be Drug Free". We invite students to participate in our special dress-up days this entire week, but it is purely optional. Students who don't wish to participate should wear their regular uniform.

- **Monday 10/26:** "Be Brave Enough to Wear Crazy Socks" (with uniform - this is also picture day:)
- **Tuesday 10/27:** "Be Brave Enough to have Crazy Hair" (with uniform)
- **Wednesday 10/28:** "Be Brave Enough to Wear your Pajamas to School"
- **Thursday 10/29:** "Be Brave Enough to Support your Favorite Team - Even if it's not the Seahawks!" (students could wear a jersey or sports shirt, or maybe their uniform from a previous class or team - ballet, gymnastics, soccer, hiking, anything with movement!)
- **Friday 10/30:** ALL Red - wear as much red as you can!

We will always teach kids that drugs, alcohol, and cigarettes and not for kids! However, every family has different rules about substances for adults. This week is a wonderful opportunity to dialogue with your kids about the rules you have in YOUR house.

Book Fair

Shop online to purchase new books
November 2-15, 2020

When you order online:

- You get free shipping for book only orders over \$25.00.
- Books are shipped to your home, not the school.
- There are many more books available through the Online Fair than would be at the in-school fair.
- Rogers Library earns a small percentage of all book fair items sold. Thank you for your support!
