She is survived by daughter, Shirley (Tod) Ward.

In The Arms Of An Angel

*I wish I could have known,
That her journey was so near.*

*She did not go alone,
In my heart it's very clear.*

*The Angel stood beside her waiting,
'Til she heard God's final word.
She began singing with God's blessing.
The most beautiful sound Mama heard.*

*In the Arms of an Angel,
She headed for her final journey.
Looking back with her beautiful smile,
Knowing God would set her free.*

*In the Arms of an Angel,
A beautiful vision in my heart.
Her love for me so special-
We'll never really be apart!*
