Dear Parents,

We've had a great week! Union College Education seniors taught Math this week. It nice for the kids to get a break from us!! 😊

Since it snowed yesterday, we'll review snow days. George Stone School follows Lincoln Public Schools for snow days. If LPS closes due to snow, George Stone School is closed. We consider these day e-learning days. Go to the George Stone website and pick up your child's assignments. These assignments are added to other assignments in grades. Please remember, we do go out to recess during in climate weather. Please make sure your child is dressed accordingly.

Please note when Thanksgiving Break starts. This way you can plan accordingly.
