For more information: 310-208-3814 | christiansciencwestwood.com

Speaker Janet Hegarty, C.S.B. has experienced the kind of change she'll be talking about. More than a superficial change in attitude, Hegarty felt the life-changing power of God's goodness. She has experienced the complete physical healing that results from understanding our oneness with God. Janet is a member of the Christian Science Board of Lectureship.
