Ruth Murdoch Elementary

Home and School Volunteer form

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these" Matt 19:14

Welcome to the 2018-2019 school year at Ruth Murdoch Elementary School! Home and School is looking for volunteers who are willing to share their time and talents to help our staff, faculty and students have a fantastic year. The mission of Home and School is not only to aid the faculty/staff but also bring the families together.

Home and School is a great way to meet new people and make a difference by enriching your child's school experience. The following page lists many ways in which you can become involved here at RMES. Think about becoming a volunteer, serving on or chairing a committee!

A response from each parent or guardian is important. We need your brilliant ideas and God given talents! Please take just a few minutes to look over the areas of opportunities available., pray then indicate the ones that you feel God is calling you to help with.

Thank you,

Nicole Price, H&S Leader

"When students see adult volunteers in their schools, they see firsthand how members of their community value education and support their local school. When a community is very involved in their school volunteering, more people have a better sense of the total education picture, and see how dedicated so many people are to educating the community's youth. More involvement results in better understanding, more trust building, and a commitment to even more support. School begins to feel like family!" – Jonathan Green
