Where love is, there God is also.

Where love is, we want to be.

Guide us, his truths to follow;

Help us obey him faithfully.

Where love is, there God is also.

We think of him rev'rently.

*Teach us to pray, to talk with him above
And know that he will guide us with his love.*

*The comfort of loving arms around us,
A song that makes us want to sing,
The happiness we feel when love has found us,
'Tis love we get when love we bring.*

Where love is, there God is also.

And with him we want to be.

*Show us the way and guide us tenderly
That we may dwell with him eternally.*
