

Excerpt from "What My Brother Taught Me,"

by Becky Weight

Life is totally dependent on Him.
Through Him I am fully nourished and fed.
He supports me as I walk with weak limb,
As through this world I continue to tread.

Without His pure kindness I cannot live,
For I find myself as the crippled one.
His life and great suffering did He give,
And through this gift a better world begun.

As my brother's life depends upon me,
Does mine ever depend on God's Son.
And as my brother trusts so patiently,
I should put my trust in the Holy One.
