

GRAA TUITION ASSISTANCE PROGRAM

It is the desire of Grand Rapids Adventist Academy to make Christian education available to as many young people as possible. We recognize that educating our youth takes the commitment of everyone at home, church, and school.

To foster this three-way joint effort, the GRAA Tuition Assistance Program (*GTAP*) is designed to provide assistance to eligible students upon request by the parents.

High School students that apply for *GTAP* will automatically be applying for Project Assist. This is a 3-way matching assistance program through the Michigan Conference. When your church assists with \$825, the school and conference will match \$825 each; totaling \$2,475.00.

All assistance is need based and available to families who meet the criteria. GRAA uses the family income for the National Lunch Program as guidelines. Available at:
<http://www.fns.usda.gov/cnd/Governance/notices/iegs/IEGs.htm>

These programs are limited by available funds at the church, school, and/or conference; therefore, file applications as early as possible.

Parents requesting any assistance must complete this application and furnish all supplemental information required. **All records submitted remain confidential.**
