Pastor's Note

EXPONENTIAL BLESSINGS

by Ramon V. Baldovino

This year this bulletin space will be filled with materials drawn from a book written by Elmer Towns, Dean Emeritus of the School of Religion and Theological Seminary at Liberty University in Lynchburg, VA. It is entitled "I Am Jesus: Let's Change the World."

"Those who believe... were baptized and added to the church... about 3000 in all." (Acts 2:41, NLT)

"All believers devoted themselves to...teaching...fellowship...sharing meals...prayer...worshiped together...and met in homes for the Lord's Supper." (Acts 2:42)

I am Jesus who poured exponential blessings on the new church. Those blessings were rapidly displayed in the church. They enjoyed My presence in their gatherings and they worshiped new and differently. They did not bring their animals to the brazen altar. I was the Lamb slain to take away sins (John 1:29). They worshiped in their homes, and the streets belonged to the church to preach, testify, and serve. They went everywhere witnessing for Me. They experienced blessings never felt in the Old Testament. I had forgiven their sins, had indwelt their life, and had given them confidence and assurance never before realized. They were ministering directly for Me, not for the priest or temple. This was the age of the church—My presence in them. This was the age of the Holy Spirit—with exponential blessings.

I am Jesus who gives exponential blessings to those who seek to do My perfect will for their life (Rom.12:1). I will fill those with the Holy Spirit who seek and are yielded to Me (1 Cor.3:16, Eph.5:18). I will pour out exponential blessings on those who follow Me with exceptional faith.

KEY THOUGHT: I will give exponential blessings to those who put Me first in their life and seek to serve Me with their entire life.
