

OCS 2020-21 REGISTRATION

New Family,

We look forward to getting to know you and your family over the coming year. Please see below for important details concerning registration and uniforms.

Registration Fees are as follows:

- We are happy to offer all **new students free tuition in their first year** (this does not include registration fees or other school fees). For information about tuition fees, discounts & tuition assistance in subsequent years, please see the Fee Schedule on our admissions page or contact the business office.
- A non-refundable \$550 registration fee applied to the 1st child and a non-refundable \$150 registration fee applied to each additional child in the same family is due at registration.
- Registration fees must be paid or a payment plan must be in place before the student enters classes.

All families are required to attend an in-person registration meeting. Please make your appointment with the office. New families may register at any time starting March 2nd, however, please note that some elementary classrooms may become full during registration week and new families are served on a first come first serve basis.

All forms and documents must be submitted at your appointment and are required in order for your student to enter classes. Please visit our admissions page at www.ocskelowna.com for registration forms or request forms from the office.

Uniform fittings for the new school year will take place on May 28 from 1-6pm by appointment. How to make your appointment and ordering instructions will be posted on our website admissions page in March. Please note that this is the only fitting date offered. All students are expected to be in full uniform on the first day of school. If your child is unable to be in full uniform, please communicate with the school office in advance.

We look forward to hearing from you soon.
