In Loving Memory of a Very Special Husband

When God was making husbands, as far as I can see
He made a special soulmate, especially for me.
He made a perfect gentleman, compassionate and kind.
With more love and affection than you could ever find
He gave my darling husband a heart of solid gold
He gave me wonderful memories only my heart can hold
He was someone I could talk to that no one can replace
He was someone I could laugh with till tears ran down my
face

Next time we meet will be at heavens door

And when I see you standing there, I won't cry anymore

I will put my arms around you

and kiss your smiling face

Then the pieces of my broken heart will fall back into place
