Message of Encouragement

I remember a time when head lice happened to our family. I spent hours applying my daughter's shampoo - root to "I'm growing my hair out like Rapunzel" tip. Then there was the laundry, vacuuming furniture, quarantining pillows, and freezing hair things and combs in Zip-locks. It was a hassle and I thought I was getting ahead of it when I crashed Friday night, but getting ready for church in the morning, I combed a louse out of my hair.

In that moment, like the song says, "heaven came down and glory filled my soul." I say this because I didn't scream. The kids were playing happily so I calmly shut the bathroom door and went to work shellacking my own hair. Sometimes victory comes in big ways like forgiving someone after years of grudge-holding. Sometimes it's keeping our mouths shut when we want to set the record straight, even if that means gossiping. And sometimes it's just not screaming. It's the strength to take the next step even though it's the hardest one and you're the most tired when you take it.

But big or small, be sure you notice the victories. That's Jesus's power in you. It's being a branch on the Vine and popping out a grape! If you can see any good you're able to do and every victory along the way as a divine intervention, you'll never again believe the lie that God hasn't helped you.

College View Academy Preschool is enrolling for the 2016/17 school year. At CVA Preschool our students gain knowledge a variety of ways: social, language, beginning math and number/letter recognition and pre-writing skills. Students explore the world around them with hands-on activities in science and creative experiences with art & music. Group times provide opportunities for singing, movement, stories, and sharing. We believe the key to all this is the development of a student's faith through Bible stories, songs, and prayer. If you have questions or would like to tour the classroom please contact Shannon Chilson at schilson@cvak12.org or text 402.730.1343.
