

A Message

For My Father

How can I find the words

To let you know how much I care?

To thank-you, Dad for all you've done,

For always being there.

You've been "friend" as well as "father,"

Walking with me all through life,

Through the joy and through the laughter,

Through the heartache and the strife.

You're the best I could have hoped for,

And with gratitude I see..

The sweet lifetime of devotion,

You invested here in me.

I am proud that you're my father,

Thankful for the times we've had,

And with all that is within me,

I feel blessed that you're my Dad.

In Loving Memory Of

Michael Agnes
