Feelings

We feel sad,
for what we have lost.
We feel happy,
for what we have had.
We feel poor,
for the empty spaces.
We feel rich,
for we have each other.
We will cry,
for what we can't have.
We will laugh,
for our memories abound.
We will hurt,
for the love we no longer receive.
We will rejoice,
for the love we have received.
We will be restless,
for our lives are not whole.
We will be peaceful,
for we know it is not forever.
