

My mother's name is Pearl.

Oh, how great a Pearl in value.

But so much more my mother is,

A Pearl is strong and value high,

But my mother's strength is greater.

How she would fight for right for thee

And oh how much more value to me,

Than the largest Pearl you could ever see.

Her eyes are blue and her love ever true.

Her nose is tipped from the angel's kiss.

Her hands are small, but can work with all

Oh, of what great value this Pearl is to us all!
