Obituary

Jacquelyn Sanders "Ponnie"

Mrs. Jacquelyn Sanders "Ponnie" completed her life journey on Monday, July 13, 2020 at home, surrounded by her family. Jacquelyn was a sweet soul committed to her faith in God and her family. Though the last several years were filled with trials and tribulation, she remained steadfast in her belief in God and her faith in his redeeming power. Ponnie, as she is affectionately known, has returned home to the God she acknowledges and the everlasting source of her spirit.

Jacquelyn was the eldest daughter of Delma and Deacon Wilson Scott Sr. (deceased). Most of her life was lived in Savannah Georgia, except for several years of living in California. She was a product of the local school system, having graduated from A.E. Beach High School, Class of 1962. After graduating from high school she married her husband Williams Sanders Jr. (deceased) in October of 1962. To their union they were blessed with two children, Rheda and William III. At the time Ponnie and Bill returned from California, they set up home in Savannah to live out the balance of their lives with their children. She was employed with the Savannah Chatham Board of Education, School Food Service Dept. After 25 years of service, Ponnie retired to fulfill her desire to spend more time with her family.

Ponnie was a caring, thoughtful and warm individual as demonstrated in acknowledging of birthdays, anniversaries and any occasion having special meaning to family and friends. Accordingly, she was devoted to her religion. Before her extended illness, she was a active member of Bethlehem Baptist Church. Jacquelyn was a member of several church auxiliaries and enjoyed participating in all of the church's social activities.

Ponnie was married to the late William Sanders Jr. for 36 years, until his passing May 1998. She leaves family to cherish her memory; daughter Rheda Sanders and son William Sanders III, 3 grandsons, Lorenzo Williams (April), Antonio Davis and Joshua Sanders, 1 great grandchild, Loreal Williams, 4 sisters, Eleanor Redmond, Laurel Maryland, Eunice Dingle (Henry), Dr. Delma Stell (Ralph), Cynthia Williams (Edward) Atlanta, Ga., a sister-in-law, Claudette Scott., several nieces and nephews

The measure of one's life is not found in gold, silver or earthly possessions, but in the character of the self. Self awareness of Gods teaching to live a complete and fulfilled life and to not be swayed by elements of life that lose their luster and importance as the years fade away, where central to her beliefs. In all that Jacquelyn was in life, it was that she was satisfied with who she was in this world. That satisfaction is borne out her robust praise of God and the personal belief that he alone would make it all right. Even as her health failed she would resonate to all who would listen that her God was with her in every step. Her belief is now fulfilled, for she is with her lord and savior Jesus Christ. For all is right with her soul!
