Pre-K & Kindergarten Mrs. Beth Kobliska

Welcome Back!

We're very excited this week because our friend Taraji has been able to return to school. We've missed her and are enjoying having her in class again. Welcome back, Taraji!

New Theme

Next week we will begin our new theme, *Moving On*. This theme will help us learn about the early pioneers in the United States and how it was for them to leave everything that was comfortable and move forward into a new area. In the first book, *Papa and the Pioneer Quilt*, young Rebecca collects scraps of cloth to make a memory quilt as her family travels west in their covered wagon. (We will be talking about quilts, so if your child has a special quilt, they can bring it to share with their friends.)

Bible

Our Bible stories for the *Moving On* theme will focus on Abram and how he answered God's call to move from his comfortable home and follow God's leading. Our next memory verse is: "Those who follow my ways are happy." Proverbs 8:32

Letter of the Week

Our letter of the week will be **Qq**.

Snack Helpers

Snack this week will be provided by: Monday, Grace; Tuesday, Jonathan; Wednesday, Kinsley; Thursday, Roselynn.

Kindergarten Readers

Again, I'd like to remind the kindergarten parents that we are really working hard

on our phonics/reading books. We read a lot at school and the kiddos need to be practicing them as much as possible at home as well. They are experiencing a lot of positive growth right now and the extra practice really helps that growth continue.

1st & 2nd Grade Mrs. Kay Sutherland

There are a lot of bodies in the hallway outside our door. Come in and see if you can recognize your child. We looked at the muscles and bones in a chicken this week. Some of us even touched it! We also looked at a sheep brain and the respiratory system of a sheep. All God's creatures are fearfully and wonderfully made!

A big thank you to Abbie Rose who brought her cello teacher to show and tell. We learned a lot! Some of us didn't even know what a cello was before today.

Our spelling lists are no longer phonetic and are beginning to have some tricky and/or more difficult words. We practice the list 4 times a week at school. Please take a minute to look at your child's practice tests to see if they need extra study time at home. **First grade** is on a review lesson this week and does not have practice tests. (They will next week though.) The first grade words are from previous lessons and there is a test every day to determine if your child has put the correct spelling of the last 28 words in his/her long term memory.

First grade spelling next week will be the words from the last four lessons. **Second grade will be tested next Friday** over these words from lesson 20: food, new, noon, room, soon, too, tooth, use, who, zoo, *balloon, *knew, *through.

3rd & 4th Grade Mrs. Eva Hill

☺ **Weather charts** are due to be brought back to school on Monday, March 4. Thank you for helping your child record this information for the last week as a part of our unit study on climate and weather.

☺ **Kids who eat breakfast have better concentration** during school hours than kids who skip the morning meal. Eating breakfast every day can even improve mental performance and math scores, according to a study in the August 2013 issue of "Frontiers in Human Neuroscience."

☺ **MULTIPLICATION!** Five minutes of fact practice a day makes a HUGE difference!

☺ **Bring your teddy bear to school** next Friday! Teddy bear "models" will be used for our art project, so don't forget to bring a bear buddy to school. If you don't have a teddy bear, perhaps a sibling or cousin would lend their bear.

☺ **Lesson 23 spelling words** will be tested next week.

☺ **Treasure verse quiz** next week is: "There is a path before each person that seems right, but it ends in death." Proverbs 14:12 *NLT*

5th & 6th Grade Mrs. Janet Lopez

This week in Bible we finished our unit on Elijah and Elisha. We played Bible Balderdash with statements the students made up about Elijah and Elisha.

In Math the 5th grade is multiplying decimals. The 6th grade is working out equations using exponents and the order of operations.

Thank you for keeping our parking lots safe.

Next Week Lunch: Mon. 4th Burritos • Tue. 5th Pizza • Wed. 6th Soup & Sandwiches • Thur. 7th Hot Dogs

In Language Arts we finished "Too Much Salt and Pepper," and began "The Apprenticeship of Lucas Whitaker. We also worked on diagramming sentences.

Our Science unit on the Ocean concluded with Google slides made by the students to represent the lessons taught in this unit.

Ancient Greek is where we traveled to in Social Studies. We learned of their culture and some Greek Mythology.

Have a great weekend! Keep reading.

7th & 8th Grade Mrs. Lisa Tonack

Test Schedule:

- Wed.: Science Test 5
English Test 5
- Thurs. Math Test 7th grade
Spelling Test 23
- Fri. MV Quiz

NEXT AR POINTS DUE: March 28

Valentine Party:

Thank you to all the parents who helped with the Valentine party. I appreciated your beautiful decorations, yummy food, serving, and cleaning up. I certainly could NOT have done all of that without your help!

March 5 is the deadline for 8th grade graduation yearbook ads.

Library Mrs. Joyce Shedell

The new computers are up and running. No more waiting in line to take a test. Thanks again Mr. Kobliska for installing them for us.

Detective Challenge: Our new theme is "Try walking in other shoes". Did you read a book from a different category this week? Challenge yourself to something new.

Accelerated Reader: Keep reading to earn the points needed for your class. Check with your teacher to know how many and when.

AR Store: Our last AR store will be May 17. The more you read and the better the score the more points you will earn.

Christmas Child boxes:

We still need \$80. Thank you to all who have given dollars, quarters and dimes this week. Everything helps.

Junior Librarians: JLs for last week were Sammy C and Lilly T. Read and take test. We need more JLs.

New Books: We are still getting in new books every week. They will be on the shelf as fast as I can get them processed. Some of the new books are about countries that 7th & 8th grades need for their reports.

Springtown SDA Church Announcement:
