Dear Jasmine Michelle Abair

I wanted to thank you for your generous contribution to the Universal Life Church Ministries (ULC).

Because of your support, the ULC can continue to ordain and empower individuals around the world to take control of their own religious/spiritual lives. The Universal Life Church Ministries can also continue its fight to ensure that all individuals are afforded religious freedom, and to provide a voice for the voiceless in our unceasing mission to create a world in which everyone is treated equally, in recognition of the fact that we are all children of the same universe.

The ULC has become renowned for its role as a champion of religious freedom, social justice, and spiritual expression. While the Universal Life Church Ministries has become a global leader in these fields, it largely attributes that recognition to the commitment, competence, and support of the millions of empowered ministers, like you, brought together under its banner. ULC Ministers, in their ongoing support-for and activity-within the ULC, make the world a better place every day.

As a non-denominational, non-profit religious organization, the Universal Life Church Ministries is famous worldwide for its provision of free, legal ordinations and religious services. While this global family of ours continues to grow year after year, we remain ever-committed to a core aspect of our guiding philosophy: that every individual, no matter their background or beliefs, should be welcomed into the ULC with open arms.

Thank you again for your donation; we couldn't do it without you.

In peace,

Br. G. Martin Freeman
Presiding Chaplain
