## **AMTA Coverage**

AMTA Members are covered for professional services for which the enrolled member is licensed, certified, accredited or professionally trained to perform as a massage therapist. Student Enrolled Members are covered only for those services for which the Student Enrolled Member is professionally trained to perform while engaged in school sanctioned and directed activities. If an enrolled member practices in any jurisdiction which governs massage therapy services, then massage therapy services means those services for which the enrolled member is licensed, certified, accredited, trained or qualified to perform within the scope of practice recognized by the governmental regulatory agency responsible for maintaining the standards of the profession of massage therapy. Professional services also means the enrolled member's massage therapy services while acting as a member of a formal accreditation, standards review, or similar professional board or committee, including the directives of such board or committee.
