

Don't grieve for me, for now I'm free
I'm following the path God laid for me.
I took His hand when I heard Him call
I turned my back and left it all
I could not stay another day
To laugh, to love, to work or play
Tasks left undone must stay that way
I found that peace at the close of the day
If my parting has left a void
Then fill it with remembered *Joy*
A friendship shared,
a laugh, a kiss Ah, yes, these things I too will miss
Be not burdened with times of sorrow
I wish for you the sunshine of tomorrow
My life has been full, I've savored much
Good friends, good times,
a loved one's touch
Perhaps my time seemed all too brief
Don't lengthen it now with undue grief
Lift up your heart and share with me
God wanted me now, He set me **FREE!**
